

university, and kids, their dreams

you kind of observe?

[Laugh].

Not that I was getting pissed all the time

I don't know if it changed me that much.

the bits they didn't listen to probably.

to choose a subject

they still haven't

Gotten specific.

You can concentrate like it's gonna be the start

kind of stop

I wasn't quite ready

just go away and just work.

deeply flawed institution.

business model demonstrated, oh, um, proven to me by my experience there.

it wasn't personal

for the first time in a while.

a disconnect between

what they receive.
